

PRIVATE TOURS - PUBLIC TOURS - CORPORATE SERVICES - TRANSPORTATION

For over a quarter century, California Wine Tours has provided the finest in wine country transportation and wine tours of Napa Valley, Sonoma Valley and Sonoma County.

Our knowledgeable guides and drivers, combined with our luxurious, high quality vehicles have made us the leader in Northern California. As a full service transportation company, we can accommodate groups of any size. California Wine Tours operates New Lincoln Town Cars, Corporate Suburbans, Stretch Limousines, Custom Vans, Mini Buses, Full Size Motor Coaches, Specialty Vehicles and our Green Fleet.

We offer private, customized tours of Napa Valley, Sonoma Valley, and Sonoma County, as well as tours of historic sites and wineries, educational tours and even tours devoted to champagne! Sit back and relax while sipping complimentary sparkling wine in one of our latest luxury vehicles and allow our knowledgeable chauffeurs/tour guides to take you to the wineries of your choice or you may want to opt for one of our prearranged itineraries - the choice is yours!

California Wine Tours also provides Public Tours throughout both the Sonoma and Napa Valley region. These tours depart daily from popular Napa or Sonoma Hotels. Staying in San Francisco? Visit Napa Valley via ferry from San Francisco on our San Francisco Wine Country Excursion. These tours are a very affordable way to visit the Wine Country with other wine enthusiasts.

Our Corporate services are second to none. California Wine Tours and Transportation has been serving corporate clients for over 25 years. As a "Full Service Transportation Company", we are able to provide many different types of services such as Wine Country Tours, Airport transfers, (either individuals in limousines or sedans or groups in vans or buses), Group/Corporate Transportation and Incentives, Special Events, and all Transportation arrangements.

We have perfected the art of wine country transportation, and offer over 160 luxury vehicles. We service and maintain our own fleet; every vehicle is cleaned and detailed daily and our highly-trained drivers make your safety and comfort their first concern.

OUR GREEN FLEET

In our effort to help protect the environment by reducing the amount of greenhouse gasses emitted into the air, we have initiated our first "Green Fleet" of luxury, hybrid vehicles for touring and transportation. Ranging from Prius Hybrids to larger Hybrid SUVs and Minivans, these vehicles are luxurious, comfortable and fun and have all the options that make travel a pleasure. The Toyota Prius features a wireless internet connection.
